Multi Solar is the solar brand of Multi Infrastructure & Engineering Pvt. Ltd., established in 2016. We deliver solar module manufacturing and turnkey EPC solutions across India. Our solar module manufacturing facility operates in collaboration with Central Electronics Limited (CEL) a Government of India enterprise. Multi Infra brings extensive experience in renewable energy, EHV substations, electrical transmission and distribution, underground cabling, railway electrification, water infrastructure and civil construction works.

WHAT DRIVES US

VISION

To be a leader in EPC and manufacturing, advancing sustainable infrastructure through affordable and innovative solutions.

MISSION

To deliver reliable products and cost-effective engineering solutions that meet customer needs, build lasting trust and create long-term value.

VALUES

Quality, integrity, innovation, customer commitment and environmental responsibility.

WHAT WE DO

Solar Module Manufacturing

Turnkey EPC Solutions

**Residential, Commercial,
Industrial & Utility Projects**

**Independent Power Producer
(IPP) Solar Projects**

OUR CAPABILITIES Business Verticals

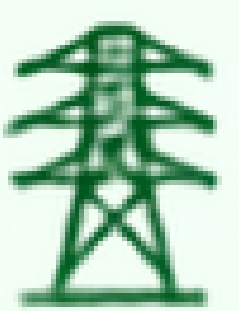

SOLAR

- Module Manufacturing
- Turnkey EPC Solutions
- Residential, Commercial, Industrial & Utility Scale Projects
- IPP Solar Plants

WATER

- Water Distribution Along with Overhead Tank
- Water Treatment Plant
- Sewerage Treatment Plant
- Civil Construction

POWER

- Construction of EHV Sub-Stations
- Electrical Distribution & Transmission
- Underground Cabling
- Metro & Railway Projects

OUR PLANT

250MW AUTOMATIC SOLAR

MODULE MANUFACTURING PLANT

The plant was inaugurated by Dr. Jitendra Singh, Honourable Minister of State (Independent Charge), Ministry of Science & Technology, Government of India, on 14th May 2026.

India's Trusted Solar Module Brand
with Government Collaboration

A unit of Multi Infrastructure & Engineering Pvt. Ltd. in collaboration with Central Electronics Limited (CEL), a Mini Ratna PSU under the Government of India

GOVERNMENT OF INDIA PARTNERSHIP Backed by Strategic Collaboration

Execution of a Memorandum between Multi Infrastructure & Engineering Pvt. Ltd. and Central Electronics Limited (CEL) for establishment of the **250 MW** Automated Solar Module Manufacturing Plant at Sahibabad, Ghaziabad, Uttar Pradesh.

The foundation stone of manufacturing facility was laid by the Hon'ble Chief Minister of Uttar Pradesh, **Shri Yogi Adityanath Ji.**

CEL – Mini Ratna, Govt. of India enterprise under DSIR / Ministry of Science & Technology.

- Inaugurated by Hon'ble Union Minister of State Science & Technology, Dr. Jitender Singh.
- Advancing the Make in India & Atmanirbhar Bharat mission in clean energy.
- Creating direct employment and technology transfer in Uttar Pradesh.
- Strengthening India's renewable energy sector through advanced solar manufacturing and innovation.

OUR PRODUCT

TOPCon Technology Upto 630+ Wp

N - TOPCon Bifacial G12R (Glass - Glass)

630Wp
RATED POWER

23.33%
EFFICIENCY

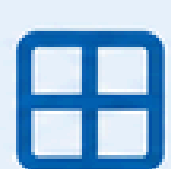

16BB
MULTI BUSBAR

30 Years
PERFORMANCE
WARRANTY

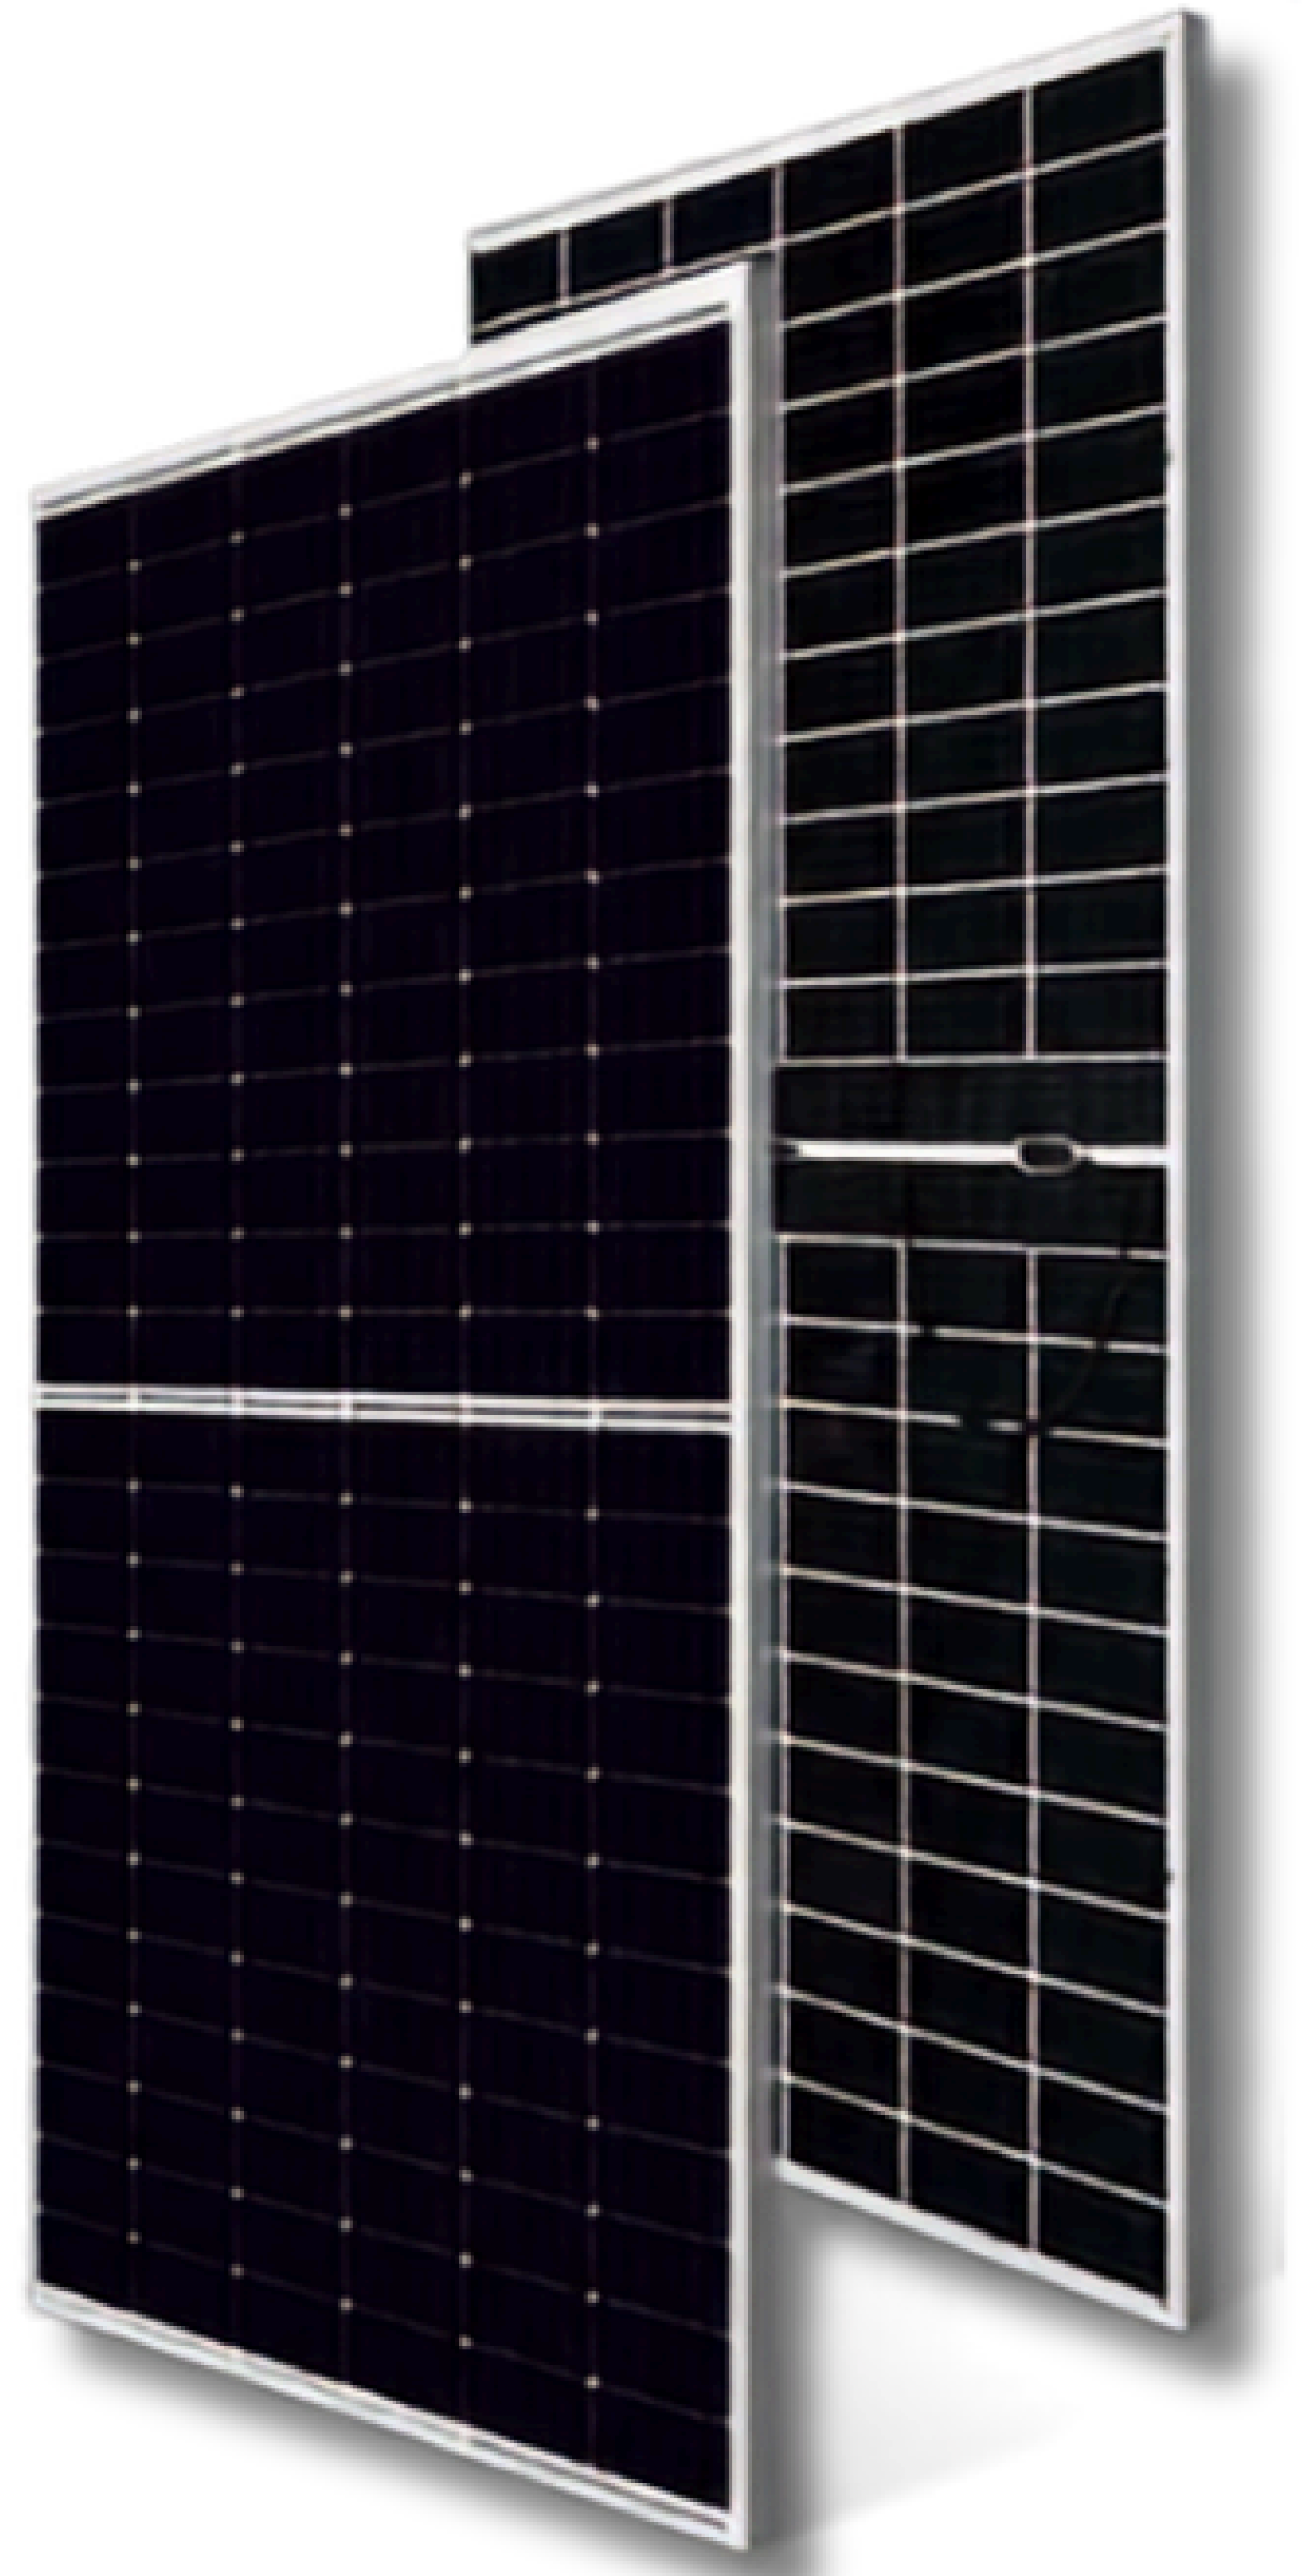

High module conversion efficiency upto
23.33%. Highest commercial gains,
lower LCOE.

Highly efficient Topcon cells.
Module utilizing Half cut cell for
optimum performance.

PID Resistant with long term reliability

KEY ADVANTAGES

- Upto 23.33% Module Efficiency
- Low-Light & High-Temp Performance
- 30 Years' Performance Warranty

CERTIFICATES

OUR PRODUCT

MonoPERC Technology Upto 570+ Wp

MonoPERC Bifacial M10R

570Wp
RATED POWER

21.35%
EFFICIENCY

10BB
MULTI BUSBAR

27 YEARS
PERFORMANCE
WARRANTY

High module conversion efficiency upto
21.35%. Highest commercial gains,
lower LCOE.

Highly efficient MonoPERC cells.
Module utilizing Half cut cell for
optimum performance.

PID Resistant with long term reliability

KEY ADVANTAGES

- Upto 21.35% Module Efficiency
- Low-Light & High-Temp Performance
- 27 Years' Performance Warranty

CERTIFICATES

MULTI SOLAR

Partnering for a Brighter Future

OUR PRESENCE ACROSS INDIA

WHY MULTI-SOLAR

Premium Quality
Solar Panel
Manufacturing

Market presence
since 2016 with
various EPC services

Customized
Solar Solutions

Trusted Sales
and Service with
prompt response.

Quality
Assurance

Experienced
Technical team

Commitment
to sustainability

Sound financials
with year on
year growth
